

# ENERGY FROM WASTE HEAT

Jan Kaczmarczyk, TEGEOS Ltd.

22 OCT 2015 / The Business Booster / Berlin

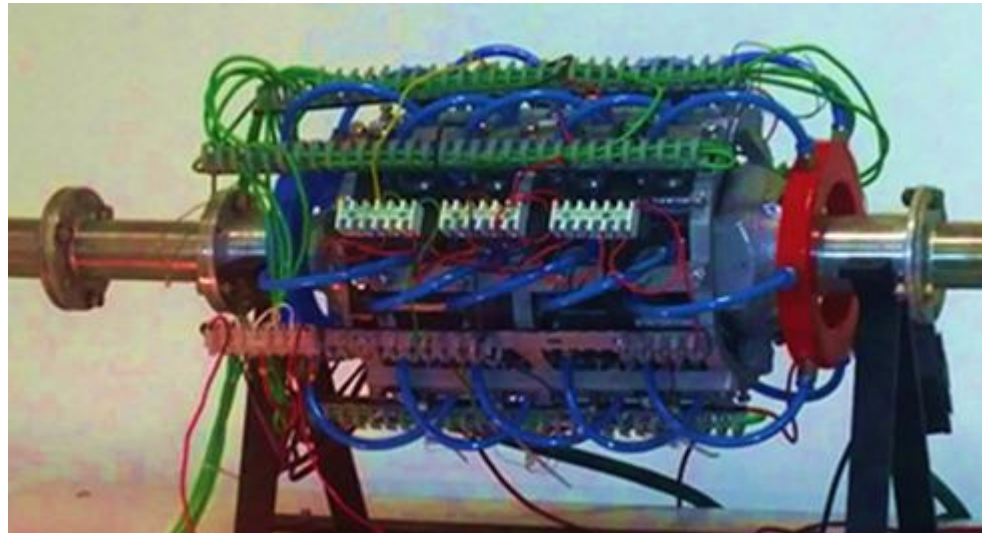

# Waste heat is everywhere

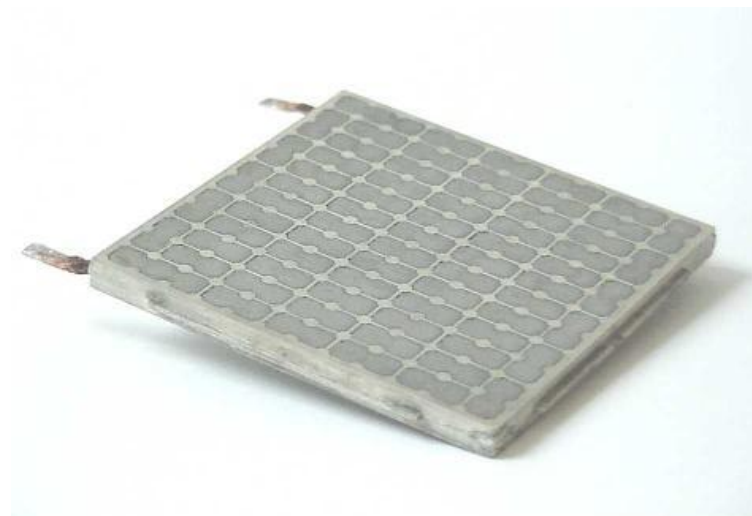

# Thermoelectrics - how does it work?

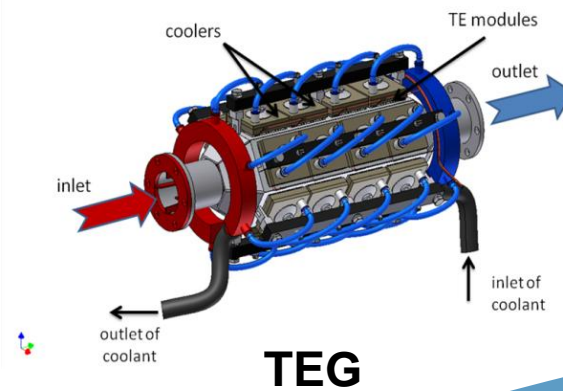

prototype of TEG  
(200 W)

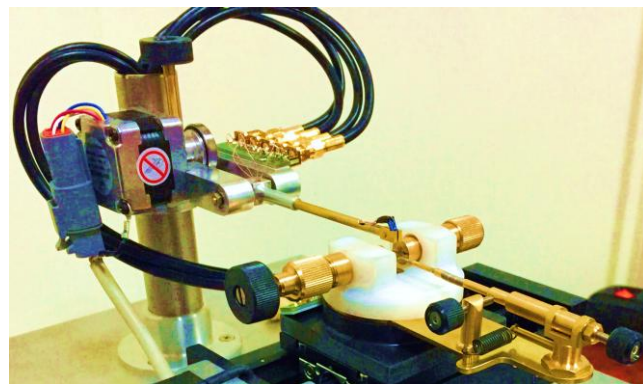

# Market & products

TEMT

STM

generator

application

module

material

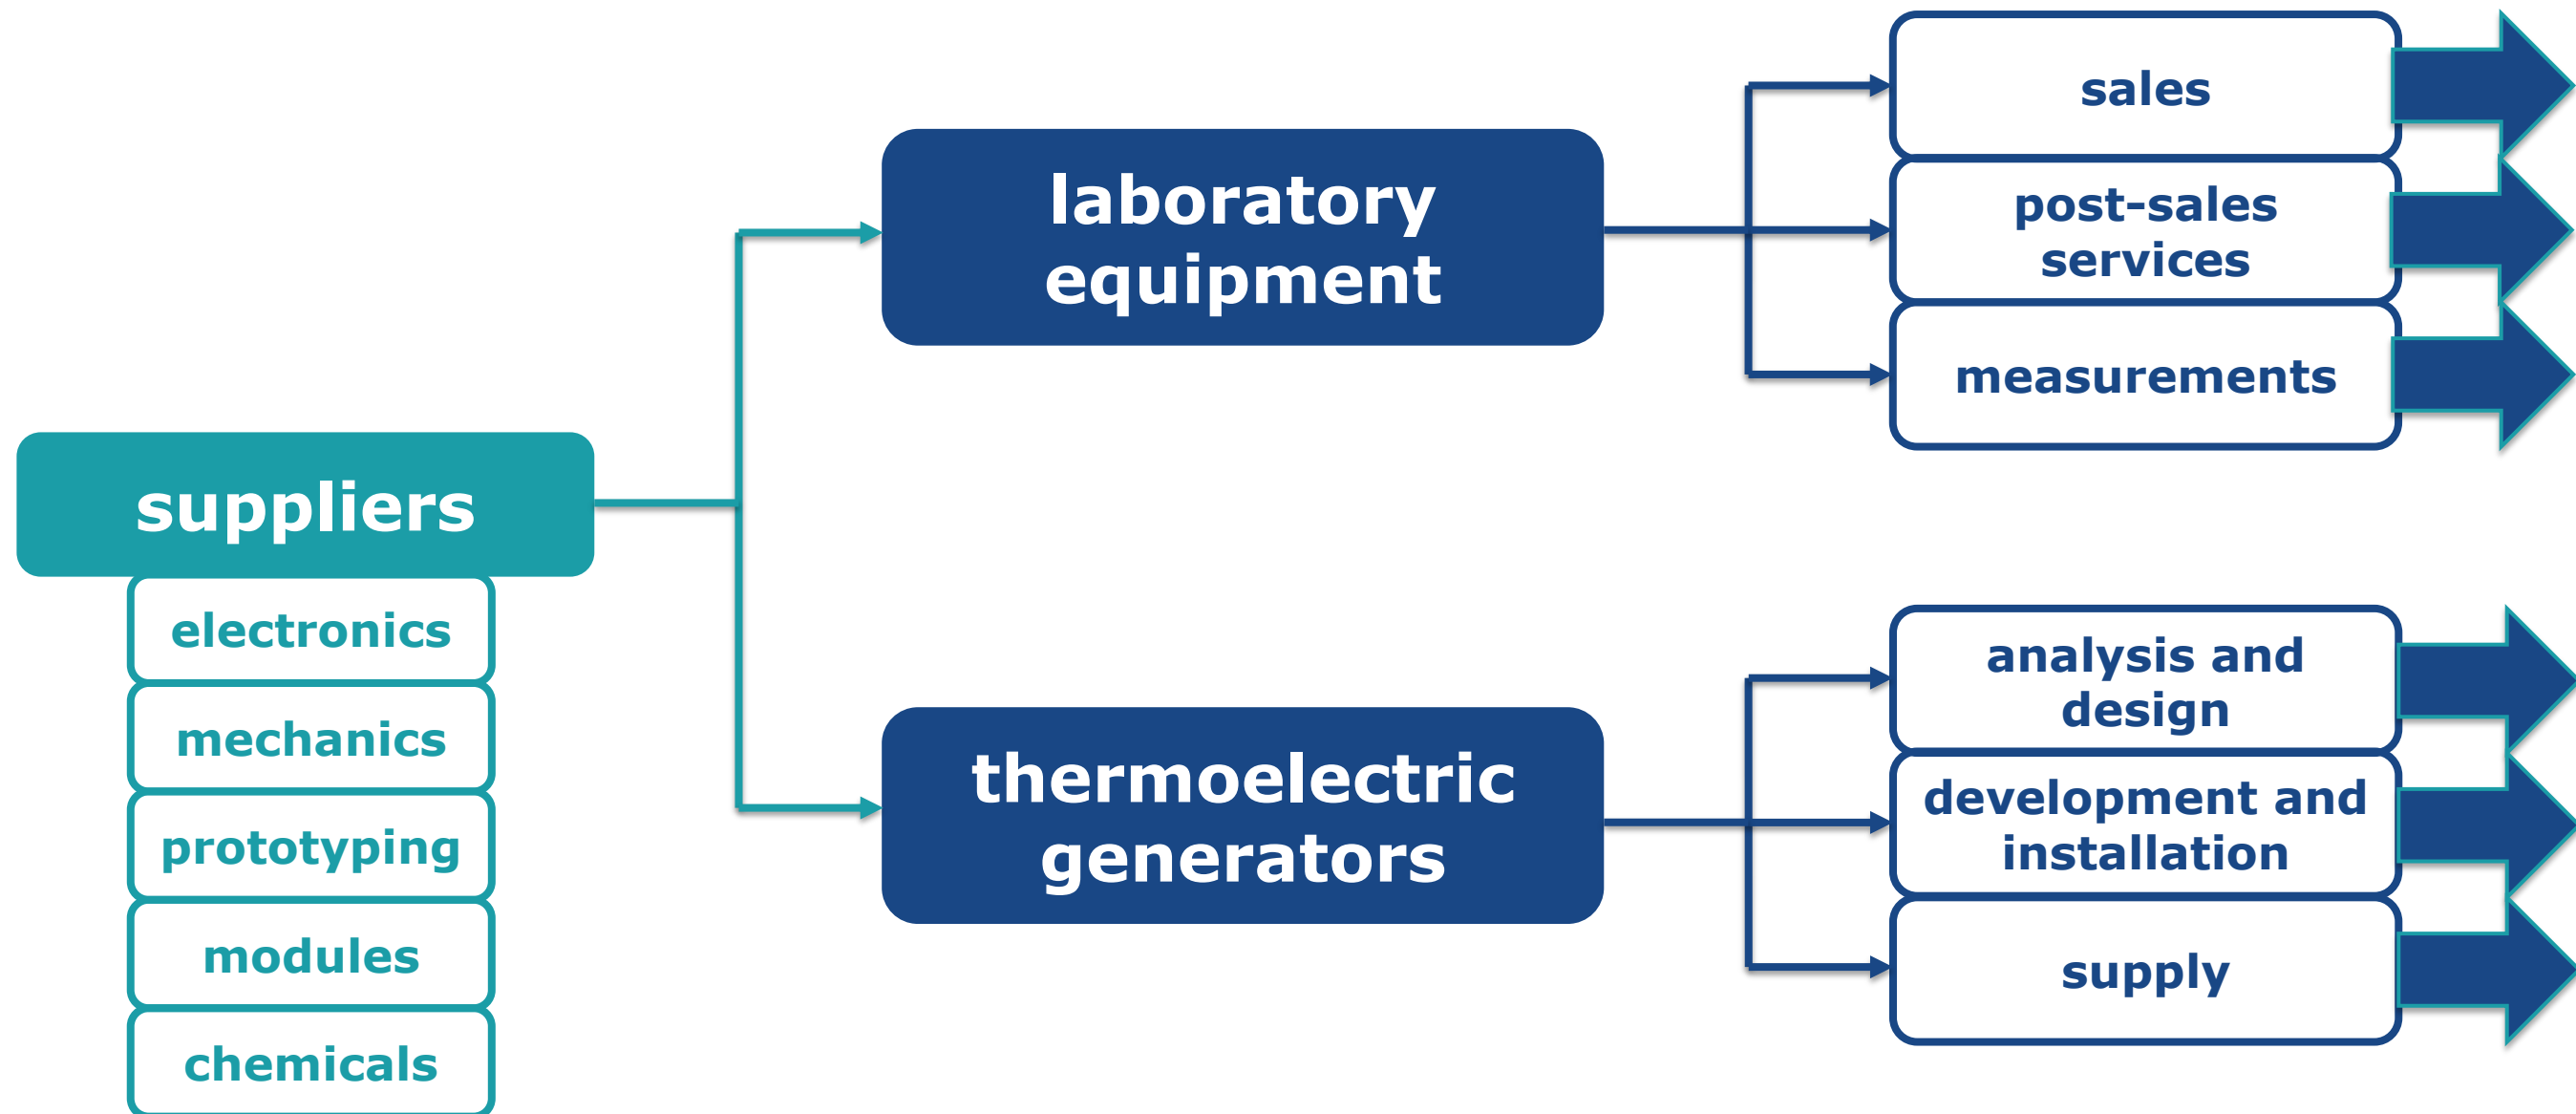

# Competition

	modules production	materials characterisation	modules characterisation	generators construction	service	integrated heat- exchanger
<b>TEGEOS</b> THERMOELECTRIC SOLUTIONS	+	+	+	+	+	+
higher energy efficiency						
faster measurements						
better accuracy						
novel functionalities						
new research possibilities						

# Our team

# Business model

# Thank you Meet us on exhibition.
