Solar power for everyone,
to the dead end of the developing World

Kilien de Renty, CEO

October 21st, 2015, TBB/Berlin

Solar power for everyone
to the dead-end of the developing World

A tremendous challenge: energy poverty

weak lights + health issues + dead batteries
= 600M Africans in need

Our tailored solution:
home-based prepaid solar power

3 locks = 3 life-changing opportunities = 3 strong edges

no electrical skills?

top-quality service

tailored design & CRM

remoteness?

available everywhere

remote activation

low purchasing power?

at lower expenses

on-demand usage

HUGE market

Cameroun alone:

10 500 000
people lack of electricity

+5.9%
annual GDP growth

2015: POC

2016: market rollout

As night falls everyday,
millions aspire to become clients.
